Dear Parent/Carer,

We are excited to announce that we have changed our school management information system (MIS), allowing us to communicate with you more efficiently.

We are really looking forward to getting started with Arbor and invite all our parents to familiarise themselves using the link below. There are many different aspects of Arbor, and we will be gradually integrating these into the school community over the next few months.

<https://support.arbor-education.com/hc/en-us/articles/360020147458-Getting-started-Log-into-the-Parent-Portal-and-the-Arbor-App>

Benyon Primary School is now using the Arbor App and has set up an account for you. To access your account you will need to download the Arbor App through either the Apple Store on iPhones or the Play Store on Android phones. **Please note that we will no longer have access to the SchoolApp, and all communications will now be sent through Arbor.**

To finish creating your account you just need to set a password. Your username is the email address we hold on file for you.

Go to <https://login.arbor.sc> and click **Forgot your password?** to finish setting up your account.

If you have any queries please contact the school office.

Yours Sincerely

Headteacher
